

Thank you for taking the time to write to me. I received your email regarding House Bill 1056. This bill was heard in the House Committee on State Government and was not voted on. It is ineligible for further consideration this session. Please feel free to email me again if you have any other concerns.

Dear <name>,

Thank you for taking the time to write to me. I received your email regarding HB 1018. This particular bill will be going through the Judiciary Committee. I am not on that committee but I will speak with other members regarding this bill as you are not the only person who has contacted me regarding this issue. If you would like to track this bill through though the legislative process I have included the link on how to do so below. Please feel free to email me again if you have any other concerns.
