Dear _____:

Congratulations on receiving the Outstanding Achievement in Historic Preservation Award.

I know you have done some truly wonderful things with the [REDACTED] in [REDACTED]. I find [REDACTED] the very picture of America and hope you and others will continue to preserve this treasure.

I am sorry I was unable to attend the ceremony in [REDACTED]. However, it is gratifying to know that the Office of Archeology and Historic Preservation found some very deserving people for this award right in our own backyard.

With Warmest Regards,
