Dear _____:

Thank you so much for serving as a page in the House of Representatives. I appreciated the opportunity to meet and to talk with you.

Paging is a great opportunity, and you can be proud that you are one of those selected to serve. I hope that you enjoyed yourself during your week here. I am certain that the experience will help you to have a better understanding of state government.

As your State Representative, please accept my very best wishes for a successful and satisfying future. I hope that we will get a chance to visit again. If I can ever be of assistance to you or your family, please do not hesitate to call.

Sincerely,

State Representative
