Freeland, WA 98249-9508

Dear \_\_\_\_\_,

Congratulations on being named a 2003 Washington Scholar!

The Washington Scholars program was enacted by the Legislature in 1981 for the purpose of honoring three graduating high school students from each Legislative district. You were nominated by your principal at South Whidbey High School and have been chosen for this honor because of your academic achievement, leadership abilities and participation in community activities. These experiences and the skills you have developed throughout your high school years will be of great benefit to you as you continue your studies in Engineering/Business.

Thank you for your hard work and diligence; you are well deserving of the Washington Scholar award. It is an honor to have you in our community.

With best wishes,

Barbara Bailey  
State Representative  
30th District
