

# THE WEEK AHEAD

January 16, 2023 – January 20, 2023

The Week Ahead is a list of public hearings on bills and work sessions that HRC policy staff have identified as being of potential interest to all members. This is *not* a list of all bills being heard and all work sessions taking place, but rather our best guess of bills and issues that non-committee members might be interested in. Bills may also be added or removed prior to the committee meeting date. Please check [www.leg.wa.gov](http://www.leg.wa.gov) for up-to-date information.

You can watch all committee hearings and work session at <https://www.tvw.org>.
