

THE WEEK AHEAD

February 13, 2023 – February 17, 2023

The Week Ahead is a list of public hearings on bills and work sessions that HRC policy staff have identified as being of potential interest to all members. This is *not* a list of all bills being heard and all work sessions taking place, but rather our best guess of bills and issues that non-committee members might be interested in. Bills may also be added or removed prior to the committee meeting date. Please check www.leg.wa.gov for up-to-date information.

You can watch all committee hearings and work session at <https://www.tvw.org>.
